SCOT APPROVED PROCESSORS LIST**

1.0 SCOPE

This document contains a list of Scot Approved Processors that are to be used by Scot and Scot Suppliers, under those restrictions noted herein. Use of non-approved sources is not permitted unless specifically authorized in the Scot Purchase Order or via a signed Authorized Request for Waiver.

When using this document, suppliers are cautioned to review the comments relating to each of the processors. This is to assure compliance with all restrictions imposed. Any questions regarding the acceptability of a processor should be directed to the Scot Purchasing Agent issuing the Supplier Purchase Order.

2.0 QUALITY ASSURANCE

Scot Inspection will review processor certification upon receipt to assure that approved processors were used.
